

## **Goddard Arms Update 21/5/24**

The Goddard Arms has been on the market since February 2023 - over 15 months ago. There have been no offers from the STGA group.

I accepted an offer from a local couple who wanted to run a pub/B&B business, but they withdrew their offer shortly after the STGA group staged a meeting to promote their own pipe dream ideas for the pub last June 2023.

My 16 year old and I were subsequently evicted from the home we owned and where we had lived for almost 5 years.

I remember Wiltshire Council's Alison Bucknell being unhappy with the term "eviction" when she was challenged about what Wiltshire Council were threatening us with; but when a vulnerable family is faced with "unlimited fines" if they don't move out, then I can't think of a more suitable word.

Please direct any enquiries to my agent Sidney Phillips.

Thank you
